Hi Marietta,

This is what EFED communicated they could do for us, at the team meeting on Tuesday.

I need to follow up with HED, as I don't have a firm date on their memo.

BEAD will provide direction on our draft memo for the benefits and will also be able to provide a draft memo (on Tuesday) that is going through PRP. Their PCT memo is not expected until Jan. – But I we have the numbers for the memo if needed and the older drafts that we can work from.

Debra

Is this consistent with your expectations?
